

Tipton St John Playing Field Association: Play Area Survey

At 25 years old, our children's play area is nearing the end of its useful life and needs replacing. We would be grateful if you could take a few moments to complete this survey to help us understand what local residents and users of the play area would most like to see replace the existing play area. Please note that all questions relate ONLY to provision in the children's play area and not the wider space of the Playing Field.

When you have completed the survey, please hand it in to the Village Shop or Tipton School by Friday 21st December at the latest.

1. What do you like best about the current children's play area at Tipton St John?
